

Here's how to create your tournament roster in GotSport:

Go to www.gotsport.com and login in upper right (GotSport Login)

Click Team Management

Click the name of your team

Click Team Registrations

Find Desert Classic Tournament and look for the blue ROSTERS button on the right side of the page

Click the blue ROSTERS button

To create your roster, you can CLONE from an existing roster (You will be able to X out anyone not coming) OR you can add players one by one by clicking ADD PLAYER

To add a player not on a cloned roster or to create your roster from scratch, click ADD PLAYER. Search for players by typing in their first name, last name, date of birth and SEARCH

The screenshot shows a navigation bar with tabs for 'Players', 'Coaches', 'Managers', and 'Documents and IDs'. Below the tabs is a green 'Add Player' button. To the right, there is a 'Clone roster from' dropdown menu currently set to 'Current Team Roster' and a green 'Submit' button.

****NOTE:** If you get an “access denied” message or are otherwise unable to create a roster, please contact your club registrar. Most likely your roster is locked at the club level.

Here's how to find a guest player from the ATHLETE POOL:

Go to www.gotsport.com and login in upper right (GotSport Login)

Click Team Management

Click the name of your team

Click Team Registrations

Find the Desert Classic Tournament and click on the words Desert Classic Tournament

In the top horizontal menu, you will see ATHLETE POOL on the very right hand side

Click ATHLETE POOL to view the contact information for possible guest players
